If an individual receives a Title II benefit, any amount attributable to the most recent increase in the monthly insurance benefit as a result of a Title II COLA is not counted as income during a "transition period" beginning with January, when the Title II benefit for December is received, and ending with the last day of the month following the month of publication of the revised annual federal poverty level.

For individuals with Title II income, the revised poverty levels are not effective until the first day of the month following the end of the transition period.

For individuals not receiving Title II income, the revised poverty levels are effective no later than the beginning of the month following the date of publication.

C. OTHER OPTIONAL CATEGORICALLY NEEDY GROUPS

1. For TB-infected infected individuals described in Section 1902(z) of the Act, SSI break-even point will be used in determining income eligibility.
2. For the 250 Percent Working Disabled Program as defined in Section 1902(a)(10)(A)(iii)(XIII) of the Act, when determining whether net countable family income is less than 250 percent of the federal poverty level(FPL), the FPL, as revised annually in the Federal Register is used.
